## HDPE Pipes

### Geberit HDPE straight lined pipe

#### Application Purpose

- For all drainage pipes

#### Characteristics

- Tempered according to Geberit standard
- UV-resistant

#### Product Details

Product material	HDPE
------------------	------

#### Scope Of Delivery

- Delivery in sections

#### Ordering Information

### Geberit HDPE straight lined pipe PN4

#### Application Purpose

- For all drainage pipes
- For drainage pipes with increased negative pressure

#### Characteristics

- Tempered according to Geberit standard
- UV-resistant

#### Product Details

Product material	HDPE
------------------	------

#### Scope Of Delivery

- Delivery in sections

#### Ordering Information

## HDPE Reducers

### Geberit HDPE concentric reducer, short

#### Application Purpose

- For all drainage pipes

#### Characteristics

- UV-resistant
- Concentric

#### Product Details

Product material	HDPE
------------------	------

## HDPE Electrofusion

### Geberit electrofusion sleeve coupling

#### Application Purpose

- For all drainage pipes
- For plugging or pushing onto pipes and fittings
- For tension resistant connection of pipes and fittings

#### Characteristics

- UV-resistant
- Can be welded with Geberit electrofusion machine ESG 40/200

#### Product Details

Product material	HDPE
------------------	------

### Geberit electrofusion coupling with integrated thermal fuse

#### Application Purpose

- For all drainage pipes
- For plugging or pushing onto pipes and fittings
- For tension resistant connection of pipes and fittings

#### Characteristics

- UV-resistant
- Integrated heat fuse
- Can be welded with Geberit start switch ESG-T2
- Heat-insulated

#### Product Details

Product material	HDPE

348.229.00.1	160	26	6	1

### Geberit moisture sealing with Resistit foil

#### Application Purpose

- For covering pipe openings in walls, ceilings and floors
- For protection against moisture
- Area of application up to 1 m water level
- For bonded connections
- For connecting elastical bitumen sealings (e.g. SBS-Bitumen)
- For hot bitumen and sealing paint
- Resistit for connection with bitumen
- Not designed for connecting with flexible bitumen seals such as Bitum APP

#### Characteristics

- Seal, EPDM
- Resistit contact foil, EPDM

## Fire protection sleeve

### Fire protection sleeve RS90 Plus DIN

#### Application Purpose

- For Geberit HDPE und Geberit Silent-db20
- For pipe openings in walls or ceilings
- For protection against fire spread
- For waste water pipelines of dia. 40 - 200 mm
- For subsequent installation on/in ceiling, brick- or drywalls
- For direct installation on/in ceiling, brick- or drywalls
- Cannot be used for installation in bends which are already partially built into the ceiling plates

#### Characteristics

- Fire resistance S 90, R 90, EI 90
- Sound-absorbing

#### Product Details

Product material	Steel
------------------	-------

#### Scope Of Delivery

- Wedge type bolts
- Insulation against solid-borne noise
- Information plate for identification
- Adhesive tape

**Note:**

To be used with Geberit HDPE support ring.

Conventional roof drainage

Geberit conventional roof outlet, with fastening flange

**Application Purpose**

- For connecting plastic roof foils
- Must not be used for bitumen roof foils

**Characteristics**

- Maintenance-free clamping flange connection

**Product Details**

Drainage capacity max.	7 l/s
------------------------	-------

**Scope Of Delivery**

- Foil fastening flange with gasket and nuts

**Ordering Information**

Geberit roof outlet for bitumen

**Application Purpose**

- For connecting with bitumen roof foils
- For collecting and draining of rainwater on roofs
- For conventional rainwater drainage

**Characteristics**

- Vertical outlet
- Straight connector made of chrome nickel steel 1.4301
- Outlet pipe cuttable

**Product Details**

Maximum head of water	35 mm
Drainage capacity max.	6 (d110) / 5,5 (d90) l/s

**Scope Of Delivery**

- Outlet grating made of PP
- Base unit with contact sheet made of chrome nickel steel 1.4301
- Protective cap

**Ordering Information**
