EC – CERTIFICATE OF CONFORMITY

1396 – CPD – 0061

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the Construction Products Directive – (CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Circular fire damper, type PKIR EI 30 S, PKIR EI 60 S, PKIR EI 90 S, PKIR EI 120 S

a device for use in heating, ventilation and air conditioning systems at fire boundaries to maintain compartmentation and protect means of escape in case of fire, whereupon its properties and use of the product is in compliance with Initial type-testing report No. C1396/12/0023/4202, issued by FIRES s.r.o., Notified Body 1396 on 14. 09.2012,

placed on the market by

**IMOS - Systemair, s.r.o. Kalinkovo 146, 900 43 Kalinkovo,
Slovak Republic**

and produced in the factory

**IMOS - Systemair, s.r.o. Kalinkovo 146, 900 43 Kalinkovo,
Slovak Republic**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - FIRES, s.r.o. - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

EN 15650: 2010

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on the 14th September 2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
